1.0 PURPOSE AND BACKGROUND

The City of Rocky Mount Parks and Recreation Department is seeking quotes for site work within Battle Park. This includes demolition, cleanup, basic grading and replanting of specified areas as listed under the scope of work section of this RFQ.

Quotes shall be submitted in accordance with the terms and conditions of this RFQ and any addenda issued hereto.

2.0 GENERAL INFORMATION

2.1 REQUEST FOR QUOTE DOCUMENT

The RFQ is comprised of the base RFQ document, any attachments, and any addenda released before Contract award. All attachments and addenda released for this RFQ in advance of any Contract award are incorporated herein by reference. Vendor may attach its quote to this RFQ for submission; however, any and all additional, modified or conflicting terms and conditions submitted on or with Vendor’s quote shall be disregarded and shall not be considered a part of any contract arising from this RFQ. Any attempt to delete or avoid the force of the previous sentence shall render Vendor’s quote invalid, and it shall not be considered.

2.2 NOTICE TO VENDORS REGARDING TERMS AND CONDITIONS

It shall be the Vendor’s responsibility to read the Instructions, the Cities’ terms and conditions, all relevant exhibits and attachments, and any other components made a part of this RFQ and comply with all requirements and specifications herein. Vendors are also responsible for obtaining and complying with all Addenda and other changes that may be issued concerning this RFQ.

If Vendors have questions, issues, or exceptions regarding any term, condition, or other component within this RFQ (including proposed alternate language), those **must** be submitted as questions in accordance with the instructions in Section 2.4. QUESTIONS ABOUT QUOTE. If the City determines that any changes will be made resulting from the questions asked, then such decisions will be communicated in the form of an RFQ addendum. The City may also elect to leave open the possibility for post-contract negotiation and amendment of specific provisions of the Contract that have been addressed during the question-and-answer period. Other than through this process, the City rejects and will not be required to evaluate or consider any additional or modified terms and conditions submitted with Vendor’s quote. This applies to any language appearing in or attached to the document as part of the Vendor’s quote that purports to vary any terms and conditions or Vendors’ instructions herein or to render the quote non-binding or subject to further negotiation. *Vendor’s quote shall constitute a firm offer.* **By execution and delivery of a quote in response to this RFQ, the Vendor agrees that any additional or modified terms and conditions, whether submitted purposefully or inadvertently, shall have no force or effect, and will be disregarded. Noncompliance with, or any attempt to alter or delete, this paragraph shall constitute sufficient grounds to reject Vendor’s quote as nonresponsive. Any quote that contains language that indicates the quote is non-binding or subject to further negotiation before a contractual document may be signed shall be rejected.**

Contact with anyone working for or with the City regarding this RFQ other than the City of Rocky Mount Purchasing Office Contract Lead named on the face page of this RFQ or in the manner specified by this RFQ shall constitute grounds for rejection of said Vendor’s offer, at the Cities election.

3.0 METHOD OF AWARD AND QUOTE EVALUATION PROCESS

3.1 METHOD OF AWARD

Contracts will be awarded in accordance with G.S. 143-129, 143-131 and the evaluation criteria set out in this solicitation. Prospective Vendors shall not be discriminated against on the basis of any prohibited grounds as defined by Federal and State law.

The City may obtain quotes from one or more potential Vendors. All quotes will be evaluated, and award will be based on lowest responsive and responsible quote meeting specifications.

A responsive bid must meet all applicable legal requirements and conform substantially to the bid specifications. A responsible bid considers the quality, performance and the time specified for completion of the project. The bidder must demonstrate the skill, judgment, integrity, resources, and ability to perform the contract.

Vendors are cautioned that the City is not required to request clarification and often does not. The Site Visit provides the vendor the opportunity to create a thorough and complete quote that reflects the most favorable project and terms available from the vendor.

3.2 QUOTE EVALUATION PROCESS

- a) Quotes are requested for the items as specified, or item(s) equivalent in design, function and performance. The City reserves the right to reject any quote on the basis of fit, form and function as well as cost.
- b) The City shall review the responses to this RFQ to confirm that they meet the specifications and requirements. The City reserves the right to waive any minor informality or technicality.
- c) For all responses that pass the initial review process, the City will review and assess the Vendors' pricing. The City may request additional formal responses or submissions from any or all Vendors for the purpose of clarification or to amplify the materials presented in any part of the quote. Vendors are cautioned, however, that the City is not required to request clarification, and often does not. Therefore, all quotes should be complete and reflect the most favorable terms available from the Vendor. Prices quoted cannot be altered or modified as part of a clarification.
- d) Quotes will be evaluated, based on the award criteria identified in Section 3.1 METHOD OF AWARD.

Award of a Contract to one Vendor does not mean that the other quotes lacked merit, but that, all factors considered, the selected quote was deemed most advantageous and represented the best value to the City.

Vendors are cautioned that this is a request for quote, not a request or an offer to contract, and the City reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of the City.

CONFIDENTIALITY DURING PROCESS: During the evaluation period and prior to award, all information concerning the quote and evaluation is confidential, and possession of the quotes and accompanying information is limited to personnel of the issuing department and any third parties involved in this procurement process, and to the committee responsible for participating in the evaluation. Any attempt on behalf of a Vendor to gain such confidential information, or to influence the evaluation process (e.g., contact anyone involved in the evaluation, criticize another Vendor, offer any benefit or information not contained in the quote) in any way is a violation of North Carolina purchasing law and regulations and shall constitute sufficient grounds for disqualification of Vendor's offer from further evaluation or consideration in the discretion of the City.

3.3 INTERPRETATION OF TERMS AND PHRASES

This Request for Quote serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by the Department; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. As such, all terms in the Request for Quote shall be enforceable as contract terms in accordance with the General Contract Terms and Conditions. The use of phrases such as "shall," "must," and "requirements" are intended to create enforceable contract conditions. In determining whether quotes should be evaluated or rejected, the Department will take into consideration the degree to which Vendors have proposed or failed

to propose solutions that will satisfy the Department's needs as described in the Request for Quote. Except as specifically stated herein, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in the Department exercising its discretion to reject a quote in its entirety.

4.0 REQUIREMENTS

This Section lists the requirements related to this RFQ. By submitting a quote, the Vendor agrees to meet all stated requirements in this Section as well as any other specifications, requirements and terms and conditions stated in this RFQ. If Vendor is unclear or has any question about the specifications, requirements and terms and conditions herein, it is urged and cautioned to contact the issuing department Contract Lead as specified in this RFQ.

4.1 PRICING

Quote price shall constitute the total cost to Buyer for delivery fully assembled and ready for use, including all applicable charges for shipping, delivery, handling, administrative and other similar fees.
